2017 Catalog of Specialty Daffodils

This marks our ninth year and we thank everyone for the support you have given this small venture that strives to keep specialty daffodils on the market for those who love these beautiful flowers. This year we got to see lots of division nines and very late blooming flowers as the season just flew by. So we are offering a whole page of division nines to extend your blooming season as they are always the last to bloom. Mary Lou Gripshover named her last daffodils to bloom: 'Final Curtain' 3W-Y a great intermediate and 'Happy Ending' 4W-W with another late bloomer 'Happy End' 7Y-Y from Roberta Watrous. These will be offered this year too.

But new listings this year from Mary Lou include: '**Miami Trace**' a 9W-GYR that blooms Mid-Season to late and is named after an ancient Indian trail that went from the Great lakes region to the Gulf Coast. It was registered in 2016. Cost \$35. **VL**

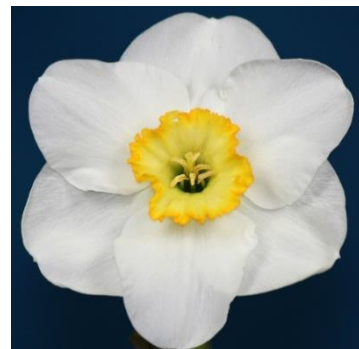

'**Island Queen**' a 2W-P also registered in 2016 and named for the historic Ohio steamship. It is a real beauty! It blooms Early to Mid season. Cost \$35. **VL**

A beautiful Intermediate from Mary Lou is her '**Temple Hills**' 3W-YYO which blooms Mid-Season to Late. Cost is \$30. **VL**

[Temple Hills](#) when you see this blue underlined name from the computer page listing you can click on it to go to the Daffseek page at the American Daffodil Society for a full listing of the flower's details. **VL means Very Limited** so we will only sell one bulb per customer.

From Bob Spotts very own collection we are glad we can again offer his famous GREEN daffodil [Mesa Verde](#) It's a 12G-GGY and can have one to three blooms per stem. Blooms Early to Mid-Season. Another quality of this beauty is that it has a very long cut flower life in a vase-so you can enjoy it beyond the show bench! Cost \$25.
So if you want to GO GREEN this is the way!

Also from Bob's collection is [Otaki Pearl](#) Which is an 8W-W from Bruce Irwin of New Zealand. It is a Mid-Season bloomer and for us on the East Coast grows as a miniature. Having now seen how Tazettas grow on the West Coast, where you have to shave the stem to fit it in the show test tube-we are talking HUGE stems!!- it might not be a mini there. But we have entered it many times in mini collections as its size fits our scale and it is a good one for a different division needed. A lovely flower! Cost \$20.

From Clay Higgins we are offering four first time just named seedlings of his:

'Camp Nine' 2W-Y: formerly his #14-11 Rose Ribbon winner in Richmond in 2017 and used in other blue ribbon collections. Only 5 \$40.

'Cut-Off Creek' 2Y-Yhis former # 13-14 won Rose Ribbon in Atlanta 2016 and was in his Red-White-Blue winner that was also the Purple Ribbon in Barco 2017. A great back row flower only 15 \$45.

'South Wind' 2Y/W-O his former #14-18

In two of his Quinns in 2015

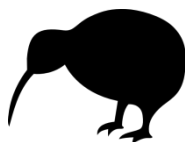

Only 5 \$40.

'Taco Factory" 2Y-YYO

Former #14-20 only 5 \$40.

See all Clay's Listings of Standards and minis at end of this catalog.
