

WASHINGTON DAFFODIL SOCIETY BULB ORDER - 2018

ORDER DEADLINE - MAY 15, 2018

Dear WDS Members,

Welcome to the Washington Daffodil Society bulb order for 2018. This year our focus has been on offering show/ribbon winners both in the U.K. and here in the colonies.

WE ENCOURAGE YOU TO VIEW EACH OFFERING YOU ARE CONSIDERING ON DAFFSEEK.

We have reduced the number of "bulbs of the year" because there are too many that will meet the criteria!! Every bulb on our list is of show quality and many will thrive in your garden landscapes as well. Most have been Gold (best of show) or White (best 3 of a kind) ribbon winners or in winning collections in the last few years!!

Explanation of classification and color coding: the number is one of 13 Royal Horticulture Society divisions -- 1 is trumpet, 2 is large cup, etc. The letters indicate color; perianth color follows the division number, and the cup color beginning at the eye is shown after the hyphen. (Y = yellow, G = green, O = orange, P = pink, R = red.) The name of the originator and date of registration follow. Blooming time is signified as E = early, M = mid-season, and L = late.

HERE ARE THE BUY-LAWS

- Prices are for each bulb unless otherwise noted
- **ALL BULBS ARE OFFERED SUBJECT TO CROP VARIATIONS.**
- If you plan to attend the WDS meeting, your bulbs will be available so please **DO NOT ADD POSTAGE**. If you place your order through one of our valued garden club memberships, all bulbs must be sent to one address (Exception: If you are WDS individual members as well, this does not apply).
- We will not be able to deliver bulbs to other meetings.
- **SEE ORDER FORM FOR SHIPPING RATES**
- Most importantly, a **May 15th** deadline must be adhered to. Any later and we risk that our suppliers will have sold out of some of the choice bulbs. Another change is that gratis bulbs will only be awarded at the **October 27th** bulb exchange, Trinity United Methodist Church, McLean, VA. ALL are welcome to attend; Don't miss the live auctions and bulb picks!

Happy planting,
Scott Bally, Karen Cogar & Bob Huesmann
